“What a brilliant service, the stair rail is simply beautiful and has allowed my husband to be discharged from hospital as he failed his stair assessment. Thank you so much.”

“The internal rails made a huge difference to me as I really struggled with just the one hand rail. My condition is getting worse”

“There’s no price on peace of mind, you get control back over your own life”

“We are very grateful for the help from you, to enable my parents to have a new boiler fitted. We now have peace of mind that they will be warm this winter. They still can’t believe how much you have helped them”

Help us to improve the health and wellbeing of older people, disabled people and people with health conditions throughout Leeds by volunteering or making a donation.
