

## ABOUT US

Our highly experienced team are specialists in accessible design. We can provide the highest quality of utilities that meet your personal requirements ensuring safety and practicality.

We have enhanced the homes of several families and individuals living alone with ongoing disabilities and have supported those who have been unable to receive grants.

We understand that it can be stressful when making major changes to your home, which is why we designate a project manager from the very initial visit to completion.

## BATHROOM ADAPTATIONS

### BEFORE

### AFTER

We provide bathing adaptations tailored to you needs including specialised bathing aids and height adjustable bathing equipment to support and maintain independence.

## KITCHEN ADAPTATIONS

Electric rise & fall worktops and wall cabinets can be adjusted by the user. Storage made easy, designed for both accessibility and independence.

## EXTERNAL WORKS

SOFT-PLAY AREAS &  
ANTI-CLIMB FENCING

## WHAT OUR CLIENTS SAY...

"They are unsurpassable, the work they have done is second to none and I have absolutely no complaints."

"You could not surround yourself with a better team. "

"If I knew that someone else is struggling, I would absolutely tell them to call Care & Repair's number."
